Andy,

The second file of two has now been uploaded. I just began reviewing this today as well but let me know if you have any questions. We have provided all files that were submitted to us.

Thanks,

Ashley

Hi Andy,

I have uploaded 1 of 2 zip files that contain the below requested materials. The total of both exceeds my quota so you'll have to download the first one before I can upload the second.

I have placed it in the same ftp location:

/ **Distribution/ DNR/ DEQ/ Air Pollution Control/ Planning/** Ameren comment and data 1.zip

Please let me know when you're ready for the second file or if you have any questions.

Thanks,

Ashley Keas

**Subject:** Ameren modeling files

Emily/Wendy,

Can you share the modeling files and associated documentation that Ameren shared with MDNR for SO<sub>2</sub>? I believe I heard them say during public comments they had shared modeling files with you folks for Labadie boundary area recommendation.

Thanks,

Andy
